## SECTION 01 22 02

## MEASUREMENT AND PAYMENT

## PART 1 GENERAL

## 1.1 SCOPE

## 1.1.1 LUMP SUM CONTRACT

Unless indicated on the Contract Documents, all Work indicated on the Contract Drawings and specified in the Bid Documents and Contract shall be included in the Contract Sum indicated on the Bid Form. The following is a description of the Work listed in the Bid Form and is not intended to be complete and all-inclusive of the required work items. The Work shall include all miscellaneous and ancillary items necessary to construct a complete and functional Project.

## 1.1.1.1 Bid Item A

Bid Item A. C-43 West Basin Storage Reservoir, Pump Station S-470, Total Project, Lump Sum. This item shall not include Bid Items B, C, and D.

## 1.1.1.2 Bid Item B

Bid Item B. C-43 West Basin Storage Reservoir, Pump Station S-470, Allowance for microwave tower services and material to be provided by Owner Assigned Subcontractor and installation of equipment provided by owner. Aviat Networks, who was pre-selected by the District to provide the identified services and materials is included in the attachment to the Request for Bids (RFB). Contractor shall be responsible for coordination of all activities of Aviat provided service as required to complete the Project.

## 1.1.1.3 Bid Item C

Bid Item C. C-43 West Basin Storage Reservoir, Pump Station S-470, SR-80 Revetment shall consist of all work within the SR-80 Right-of-Way between Townsend Canal Stations beginning at the south R/W line at Townsend Canal Baseline Station 498+87.36 and progressing north to the north R/W line at Townsend Canal Baseline Station 501+47.28. This shall consist of all excavation, revetment, and MOT necessary to complete the work. The Work shall include all miscellaneous and ancillary items for this bid item.

## 1.1.1.4 Bid Item D

Bid Item C. C-43 West Basin Storage Reservoir, Pump Station S-470, Townsend Canal Improvements shall consist of all work beginning at the north R/W line at Townsend Canal Baseline Station 501+47.28 and progressing north to Station 522+05.41. This shall consist of all excavation, demolition and revetment necessary to complete the work. The Work shall include all miscellaneous and ancillary items for this bid item.

## 1.2 BASIS FOR PAYMENTS

The above descriptions generally outline the scope of work required for those elements of the Work to be paid for under each lump sum item listed in the Bid Form. Those lump sum amounts shall be further distributed in accordance with subvalues identified in the approved Cost Loaded Schedule specified in Section 01 32 16 COST LOADED CONSTRUCTION SCHEDULES and the GENERAL TERMS & CONDITIONS.

## 1.3 PAYMENTS

Payments shall be in accordance with the provisions of the GENERAL TERMS & CONDITIONS, Article 14.
